PREFACE

The “**Facts & Figures 2013**” is one of the foremost important series of “Forest Statistics” which is published by the Forest Department in Andhra Pradesh with relevant facts of information on the activities taken up by the Department.

Under the close supervision of Research & Development Circle, the Forest Utilization Officer and his Statistical Staff has collected and compiled the information on various aspects of the department and its activities taken up and it contains the information up to 2012-13.

The **Facts & Figures-2013** publication is helpful in quickly finding the relevant and generally searched information about the Forest Department and its activities.

This publication is useful to the Foresters, other Departments, Scholars, NGOs and Policy Makers to find out details of various activities, information and the schemes being implemented and its achievements.

Further, the Department welcomes suggestions for improvement of qualities so as to incorporate in the subsequent revisions.
